PROFILE SUMMARY

Detail-oriented and qualified **Frontend** Developer able to collaborate with a team, **3+ years** experience with JavaScript libraries **React**, jQuery, and Bootstrap, able to work in an **agile scrum** environment. I help companies like Matrizo, Devken, and Lagos State Polytechnic build client-side web applications and to translate UI/UX wireframes (like **Figma**) for company and customer needs into functional, user-friendly, and appealing interactive applications.

WORK EXPERIENCE

FrontEnd Developer

Jan, 2022 – Present

Matrizo Codtrix | Remote

- Proposed **5 UI and UX** design changes which lead to **30%** increase in technical feasibility
