### Profile

Detail-oriented and qualified **Frontend** Developer able to collaborate with a team, 3+ **years** experience with JavaScript libraries **React**, jQuery, and Bootstrap, able to work in an **agile scrum** environment. I help companies like ReachAfrika (Fintech), Tourbounty (Social Media), Quantum Analytics(EdTech) to build client-side web applications and to translate UI/UX wireframes (like **Figma**) for company and customer needs into functional, user-friendly, and appealing interactive applications.

### Professional Experience

**Mid-level Frontend Deveoper**, *ReachAfrika*  2021-11 – present | Ghana

- Conducted code reviews and provided feedback to other developers to ensure high-quality code
- Developed and maintained design systems and component libraries to enhance efficiency and consistency
- Led frontend team and assign tasks to junior developers
- Experience with project management applications (Jira and Cliq)

**Frontend Developer**, *Quantum Analytics*  2020-07 – 2021-09 | Remote

- Worked with designers to ensure that the website's UI/UX design met the needs of the target audience
- Designed several reusable components which reduced production time by 1 week for the team
- Optimized website performance through SEO and user experience enhancements
- Tested web-based product functionality and delivered iterations to customers in the sprint method

**Frontend Developer**, *Tourbounty*  2019-02 – 2020-06 | Yaba lagos, Nigeria

- Worked well with different developers to address challenges and solve problems collaboratively on the organization's website
- Developed and maintained user-facing web applications using HTML, CSS, and JavaScript
- Collaborated with designers to implement UI/UX design into functional web pages
- Worked closely with cross-functional teams to deliver projects on time and within budget

### Skills

- HTML/CSS/JavaScript
- React
- Agile development methodologies
- Angular/Vue.js
- Design tools such as Sketch, Figma, Adobe XD

### Education

**Bsc Computer science**, *Caleb University* 2018-10 – 2022-08 | ikorodu, Nigeria

- Graduated top 10 of 158 students with a 4.38 CGPA out of 5 attainable
- Help tutorials for student who had problem with programming
